## Letter from Dawn

Many new initiatives have launched with our state's new president, Dr. Elaine Vaughan, including the Communications and Marketing Award. Please see the link to [Member Education Videos](#) and complete the sessions for us to get credit toward the award. Also, join our Facebook and Instagram pages, as our social media activity will contribute to points.

Getting involved in the society can renew your interest and energy in your membership. It is true that the more you put into, the more you get out.

Looking forward to seeing you soon!

-Dawn

## November Meeting

Our September meeting, which was held at Litton's, was a fun start to the school year. We had seven members present. After enjoying a delicious dinner, we discussed upcoming events and wrote cards for new teachers inviting them to our November meeting. We also decided to bring extra supplies that we have accumulated to give the new teachers to help them get started.

Lana and Kim have prepared a fall program and craft for us to enjoy this Thursday. We will meet in the UCHS Library at 4:30 for snacks, with the program following at 5:00. Be sure to invite a prospective member to come along. Dawn will tell us some more about the modules that we need to complete to earn points for the Maycie Award.
